Letter of Recommendation

To Whom It May Concern,

I am writing to highly recommend Sarah Maybruck, who worked as a Graphic Designer with Charter Realty | Zelco Properties & Development. During her time with us, Sarah consistently demonstrated creativity, diligence, and professionalism that far exceeded expectations.

Sarah brought a fresh and innovative perspective to every project she worked on. The work she produced was not only visually compelling but also strategically aligned with our company's branding and goals. She was hardworking and detail-oriented, ensuring that her work product was of the highest quality. Beyond her design skills, Sarah took initiative and was always willing to go above and beyond to contribute to the team's success.

One of the most impressive aspects of Sarah's time with us was her professionalism during her transition to another role better suited to her long-term career goals. Even as she prepared to move on, Sarah remained dedicated to our team's success, she assisted in interviewing candidates for her replacement, took the time to train them thoroughly, and ensured a seamless handoff of her responsibilities. This level of commitment speaks volumes about her character and work ethic.

Sarah is a creative, dependable, and thoughtful professional who will be an asset to any organization. I recommend her without reservation and am confident she will excel in any future role.

Sincerely,
Dan Zelson
